

REQUIRED ENVISION PROJECT APPLICATION FORM

Required fields are marked in red

*Each of the required fields needs a fillable text box on the same line as the request, with two exceptions: The current grade level request needs a drop-down menu (**Freshman, Sophomore, Junior, Senior, Graduated in the Past Two Months**) AND the "Where did you learn..." question needs a text box below the question. Ideally, all of these fields can be sized to fit on a single page. I'd be fine with fields being in two columns where it makes sense to save space.*

APPLICATION QUESTIONS

(Note: Answers can also be submitted via email to mysock@manifestdrawingcenter.org)

Each of these questions needs a fillable text box. The size of the text box would ideally allow these questions, the attendance note, and final instructions to take up 2 pages cleanly.

1. **Why do you want to be part of the Envision Project this summer?**

2. **How is photography (digital or film) a part of your everyday life? How do you use photography as a tool?**

3. **What is the most memorable experience you've ever had with an image? How did it (the image or the experience) impact you?**

4. **What do you wonder about the most? How would you use photography to investigate that?**

5. **Describe your art or photo experience. Have you taken any art/photo classes? If so, which ones? Describe how that experience changed you.**

6. **How do you manage your time when faced with several commitments in a short period?**

7. **Where can we see some photos you've taken?**

Please provide a link to an online collection of photos you've taken (Instagram, etc.) or e-mail at least 5 images to mysock@manifestdrawingcenter.org. (Images must be 72 dpi and 10 inches in the shortest dimension.)

The Envision Project is a special opportunity that requires a commitment from all participants. **Only one absence will be allowed during the 10-day program.**

Checking this box indicates that you understand the attendance policy, and that you are fully committed to participating in this program if you are selected.

Once you've filled out the entire application, please double-check all of the information you've entered above. All future communications will be sent to the emails you've offered, so please make sure they are spelled and punctuated correctly.

Once it's proofread, return this to Adam Mysock at mysock@manifestdrawingcenter.org along with a letter of recommendation or evaluation form (**available as a pdf [here](#)**) from the Academic Reference listed above. (Your reference can also email their letter or form directly to Adam if they'd prefer.)
